

A New Approach to Learning

Maharati was launched by the Sharjah Training and Development Center in 2018. The HIS Learning Team has spearheaded the adoption of this platform to reshape how learning is done under the Wareed Program. The new process will ensure that our users have all the support they need in order to take full advantage Wareed's features, ensuring even better health outcomes for our patients.

Your New Learning Process

STEP 1

Approach your Wareed Coordinator

STEP 2

Enroll and Complete your Course Online

STEP 3

Attend Classroom Training

STEP 4

Download Guides to Help You
