About the Service

This service allows customers to submit their suggestions and ideas on various aspects related to MOHAP's scope of work, including the services provided, services provision methods, the work environment, or the employees. MOHAP studies and evaluates these suggestions and responds to the customers

Service Process

- The customer submits his/her suggestion through the available channels.
- The suggestion is assessed, classified, and submitted to the specialized business entity. The customer might be contacted for further details.
- The suggestion is investigated; then the customer will be informed of any decisions.
- If the suggestion is accepted, an implementation plan is created.
- The best suggestions that are implemented are recognized and honored.

Required Documents
